

Shoreline Plan Update

Lake Ballinger, a treasured community resource, is the center-piece of Mountlake Terrace's Shoreline Management Plan.

The Plan guides how the shoreline and uplands is developed and managed and is due to be updated soon.

Come to an open house to learn about the update process and how *you* can be involved.

JOIN US!

For more information about the Shoreline Plan Update contact:
Edith Duttlinger, Senior Planner, at eduttlinger@ci.mt.wa.us or 425.744.6279,
or visit the Project Website at www.cityofmlt.com/shorelineplanning.
