COMMUNITY MEETINGS AND EVENTS

- **Draft Town Center Subarea Plan Upcoming Meetings:** The review and public hearing on the draft Supplemental Environmental Impact Statement (SEIS) concluded on August 1 and 5 and the city responded to questions from the community at Tour de Terrace and National Night Out with displays showing the proposed plan. Additional opportunities for public input were Coffee with the City, August 14, August 15 City Council's work/study session, and August 19 City Council meeting discussion. To provide input, you may either attend a meeting and

provide public comment, write a letter to the City Council or email cityhall@ci.mlt.wa.us. More information on the Town Center Subarea Plan Update Process is available at www.cityofmlt.com/338.

Additional upcoming meetings to discuss the plan and gather public comments from the community are currently scheduled for **September 3 and September 12**. Please check with the City Clerk's Office at (425) 744-6206 or cityhall@ci.mlt.wa.us to confirm closer to the dates. The meetings will begin at 7:00 p.m. in the Interim City Hall Council Chambers, 6100 219th Street SW #220, Mountlake Terrace.

- **Coffee with the City September 11:** Join city officials for a casual conversation and a cup of coffee. Residents, business owners and others from the community are invited to hear what's going on in the city, provide input about city services and events, and ask questions. This casual monthly event is scheduled at the Recreation Pavilion, 5303 228th Street SW on Wednesday, September 11, 2019 from 6:00 to 7:00 p.m. in the Jungle Room.

CITY CLERK AND COMMUNITY RELATIONS UPDATES

- **Emphasis on Leashing Pets:** Community Relations wants to thank all the dog owners who live and visit here who are keeping their pets leashed. Major improvement has been observed in numerous city parks and public areas. On a recent trip to a remote part of Ballinger Park to pick berries on a Sunday, the City Clerk recorded seeing 15 leashed dogs in a row, one unleashed dog, and then four more leashed dogs. She spoke to the person with the unleashed dog and let them know that they could be fined and explained why they should keep their pet leashed. Keep it up, everyone! Our city's dog owners as well as residents without dogs really appreciate not having unleashed dogs running at them.
- **Evergreen Awards:** Community Relations is currently contacting this year's Evergreen Awards winners. The program recognizes community members who take great pride in maintaining their properties. The city is awarding 15 Best Maintained Property Awards (including one business), seven Best Transformation Awards (including two businesses and one multi-family property), and two Most Sustainable Awards. A dessert reception with the City Council will take place on September 25 at Ballinger Clubhouse.
- **New Webpages:** The Recreation and Parks Department has launched a new webpage titled "[Current Park Projects](#)" that shows nine park projects that are underway or in the planning stages. In addition, the department coordinated with the Community Relations Division on a new [Town Center Park Plaza webpage](#) linked on the park projects page. There you can find an overview of the project and a link to an [online form](#) to participate in providing input to the Recreation and Parks Advisory Commission (RPAC) about a name for the Town Center Park Plaza. RPAC asked for community input before making a recommendation to the City Council for consideration.
- **Bicentennial Park Volunteer Appreciation BBQ:** The city invited the volunteers who worked over the last ten years to transform Matt Hirvela/Bicentennial Park to a BBQ on Friday, August 23. The work included a trail that encircles the park as well as benches and other amenities and was completed piece by piece with help from Boy and Girl Scout Troops, Cub

Scout Packs, Eagle Candidates, Community Foundations, local residents, grant funding and some in-house work by the city. The Washington Recreation & Parks Association was so impressed the community received an award for this project!

- **Lodging Tax Funds:** The City Clerk is working with the Lodging Tax Advisory Committee (LTAC) to update the city's funding application, criteria for awarding lodging tax funds and creating a checklist for applicants. The LTAC is currently reviewing the materials and City Council review and consideration is tentatively scheduled for either September 3 or 16.

COMMUNITY & ECONOMIC DEVELOPMENT UPDATES

- **City Hall & Police Station Addition:** ARC Architects and city staff continue to work on the refinement and review of drawings as the project moves closer towards the ability to issue permits and bid the project. The project is anticipated to go to bid in September.

On July 1, 2019, the City Council approved the Arts Advisory Commission recommendation to continue working with Louise McDowell and CJ Rench for the purpose of creating two distinct sculpture artworks for the Civic Campus Redevelopment project. Each artist will be meeting with the Commission to collaborate and discuss refining proposed concepts. The Arts Advisory Commission met with Louise McDowell on July 16, 2019 and CJ Rench on July 25, 2019 to discuss concepts.

Ms. McDowell's proposal included three life sized, cast bronze figures of children gathering in the park/plaza. The Commission was quite receptive to the proposals and authorized moving forward with the proposal by Ms. McDowell.

Mr. Rench's proposals included concepts of 20+ foot tall wildflower metal sculptures with glass/resin flower petals. Although the Commission liked the primary concepts, they also were interested in exploring an alternative also presented at the meeting. The alternative would have a more substantial base and more pronounced flower petals. The commission requested Mr. Rench present a refined alternative for their review at a future meeting.

- **Premera Campus Renovation:** Premera Blue Cross has submitted a proposal to renovate the campus to replace Building 1 with a facility that provides more on-site amenities for employees and to make minor modifications to most of the four other buildings. A site development plan application was submitted June 21 and is being revised to meet filing requirements. The proposed work includes a new Building 1 with a smaller footprint, removing nearly 200 parking spaces, creating more open space, changes in circulation, and pedestrian friendly street frontage improvements on 220th Street SW and a portion of 216th.
- **New Terrace Townhomes:** A 12-lot fee simple townhome development located at 4907 216th Place SW, has submitted for their civil construction permit to construct frontage and onsite improvements.
- **Creekside Meadows:** On August 13 the Community and Economic Development Department held a Pre-Construction Meeting with the developers of a 56 lot subdivision named "Creekside

Meadows" at 7011 226th Street SW. Demolition of the Creekside Church and School has begun to allow for clearing and grading.

- **Sound Transit Staging Site:** A permit has been issued to construct an 8' height wood fence and 12' height chain link fence, combined, around the Melody Hill Staging Site at 6205 222nd Street SW for Sound Transit's Link Light Rail project. The associated landscaping and irrigation permit is under staff review.
- **Solana Townhomes** (5503 240th Street SW): Building permits for 19 townhomes in the Town Center were issued.

PUBLIC WORKS (ENGINEERING & OPERATIONS) UPDATES

- **Main Street Construction, 236th Street SW:** The Main Street Revitalization Project on 236th Street SW is ongoing and on schedule. The week of August 26, the city's contractor will continue with sidewalk installation. In addition, excavation for retaining walls along the north side of the roadway continues. During this period and during daytime working hours, eastbound 236th Street SW will continue to be closed between 58th and 56th Avenues W, with brief lane shifts and lane closures. Two-way travel throughout the area will be provided outside of daytime working hours.

Flaggers will be on duty to help people through the construction zone. As construction progresses, the city will provide additional construction information that is up-to-date and reflects the contractor's progress.

Weekly travel advisories on all construction projects throughout the city are provided online at www.cityofmlt.com/208 (traffic alerts). Main Street updates are shared on social media. These updates are provided to keep the community informed about the type of traffic modifications that are in place and where they are located.

- **Treatment for Aquatic Weeds in Lake Ballinger:** Lake Ballinger has become infested with invasive aquatic weeds, including Eurasian watermilfoil, fragrant water lilies and curly leaf pondweed. The thick aquatic plant beds that cover most of the nearshore area have negatively impacted boating, swimming, and fishing in the lake. Invasive weeds have also reduced water quality.

A steering committee of local residents recommended a control plan including use of burlap bottom barriers and aquatic herbicide applied to 50 percent of the lake during summer 2019. Lake Ballinger will be treated with aquatic herbicides three times between July 24 and September 15, 2019. The first treatment was applied Wednesday, July 24. A motorized boat has been permitted on the lake in order to complete this project. Treatment is being applied to the western shore of Lake Ballinger and the northeastern section near Ballinger Park fishing dock/boat ramp.

More background information on the treatments for Aquatic Weed Control in Lake Ballinger can be found in the city's Integrated Aquatic Vegetation Plan posted on the city's website www.cityofmlt.com/DocumentCenter/View/18445/.

- **Sand Volleyball at Terrace Ridge Park:** At the recommendation of the Neighborhood Park Improvement Subcommittee, Park staff installed volleyball posts and a net at Terrace Ridge Park. The suggestion came after some antiquated play equipment was removed. The subcommittee noted the size of the sand area left after removal was approximately the same as volley ball court dimensions and suggested placing a net on site as a cost effect and efficient use of the area since many local residents erect their own nets at the park during the summer and early fall.
- **Eagle Candidate Project:** Park staff have been contacted by an Eagle Candidate Michael Frary with an interest in an Eagle Project in Mountlake Terrace. Michael met with staff and is considering a project to help label storm drains to assist in protecting the watershed. Michael has submitted his proposal to park and stormwater staff and is forwarding to the Boy Scouts of America Mount Baker District office for final approval. Michael intends to work on his project on September 14.
- **Girl Scout Silver Award Project:** Girl Scouts Temple, Kathleen and Ava from Troop 44253 have been working with park and stormwater staff to create a project for their Silver Award. The troop had an interest in assisting with the water quality and removal of invasive plant species in Lake Ballinger. The group devised a plan to help with the removal of invasive fragrant water lily. The Girl Scouts did some preliminary testing then worked removing the invasive plants at Lake Ballinger on Saturday August 17. The effort went well and the troop removed numerous invasive plants from the lake. The troop will be recognized for their efforts at an upcoming Council meeting.
