
Lake Ballinger Shoreline Substantial Development Permit

Zoning: Recreation and Parks District (REC)

Applicant: City of Mountlake Terrace

Description: Construct a new boat launch and an 80-foot long floating dock with a six-foot wide, 200-foot long fishing pier at Ballinger Park. A new accessible path will be constructed to connect the existing parking lot to the pier, and future park improvements. The project includes vegetation restoration. The existing dock and boat launch will be removed.

Status: In review
