### **Fire Station 19 Art Work Proposal Deadline Extended**

MOUNTLAKE TERRACE--On Monday, April 7, an Art Selection Panel met to review 25 public art proposals submitted for Fire Station 19.

After reviewing the proposals, the panel recommended extending the deadline for submittals to June 7, 2008. Their recommendation was based on a desire to attract additional proposals that would best represent the character and purpose of the Fire Station.

A total of \$25,000 has been allocated for the art work which is based upon 1% of the total construction cost of the new 6,000-square-foot station built by the City of Mountlake Terrace.

An updated Call to Artists was sent to other City, County and State Art Commissions as well as other art organizations and agencies throughout Washington State. The new deadline for submittals is June 7, with review and selection of finalists in July or August and recommendation to City Council in September.

For more information on the 1% for art submittals, please visit the city's website [www.cityofmlt.com](http://www.cityofmlt.com) or call Support Services Supervisor Julie Codd, at (425) 640-3105.
