Mountlake Terrace Girls Softball Team Recognized for their Achievements

MOUNTLAKE TERRACE—At their June 15 meeting, the City Council recognized the Mountlake Terrace High School Girls Varsity Softball Team for their record-breaking season.

Led by Head Coach Kim Stewart in his last season before moving on to become the Edmonds School District Athletic Director, the Girls Varsity Softball Team won the Northwest District 1 Championship for the first time in school history. The Hawks advanced to the State Class 4A Tournament Championship Game, placing 2nd overall. "They shattered records both individually and as a team, stated Coach Stewart. "The best part about it was watching them become a strong team of players and take care of each other."

Mayor Jerry Smith read and presented copies of a proclamation to each player, honoring their achievements. Team members presented City Councilmembers with T-shirts sporting school colors red on black and heralding "Terrace Fastpitch State 2009". "I also played softball at Mountlake Terrace High School," stated Mayor Pro Tem Laura Sonmore. "This brought me back to my days on the softball team. I understand you broke some of our records and it's nice to see you go on to play college ball."
