November 7, 2011

New Kindergarten Readiness Class Offered

MOUNTLAKE TERRACE—Mountlake Terrace Recreation and Parks is offering a new Kindergarten Readiness class that combines learning with the fun of preschool at the Recreation Pavilion (5303 228th Street SW). This new program is enhanced by the opportunity for the children to participate in swimming and dance.

Kindergarten Readiness is for children entering Kindergarten in fall 2012. The new program was designed with input from Kindergarten teachers in the Edmonds School District. Classes are held Monday, Wednesday and Friday from 9:30am-12:30pm. There is no class held on non-school days in the Edmonds School District. The session started on November 2 and spaces are still available in this popular class.

More information on the Kindergarten Readiness class is available by contacting Shannon Lind via email at slind@ci.mlt.wa.us or calling (425) 640-3103 or at www.mltrec.com.
