

## ECONOMIC VITALITY ELEMENT

---

### ACTIONS TO TAKE

To help carry out this chapter, the following action steps are needed during the next several years.

- Develop, by 2007, a detailed economic vitality strategy to promote and provide for the City's continuing development as an attractive community with opportunities for business, housing, and education.
- Prepare subarea plans, during the 2005-2009 period, that address economic development or redevelopment issues for the following:
  - Melody Hill area
  - Town Center
  - Other areas, if determined to be appropriate and feasible.
