

PERFORMANCE MEASURES

Measuring performance or progress is an important way to see whether that expectations are being met. In this Comprehensive Plan, one performance measure has been selected for each major topic. Annually, the City will make a good faith effort to meet or exceed the performance measures, check data, with respect to each of the performance measures, and report the results.

Measures for major topics have been selected with the following criteria in mind:

- Relevance to goals
- Meaningfulness to the public
- Availability of data

Performance Measure

For the Economic Vitality Element, the City of Mountlake Terrace has a performance measure and will annually report on its progress. The measure is as follows:

- Businesses in the community employ a total of 6,000 or more people.
