TABLE OF CONTENTS

Chapter 1 INTRODUCTION
  1.1 User’s Guide to the Master Program
    1.1.1 Authority
    1.1.2 Applicability
    1.1.3 City of Mountlake Terrace Shoreline Jurisdiction
    1.1.4 Relationship to Other Plans or Regulations
    1.1.5 Liberal Construction
    1.1.6 Master Program Contents
    1.1.7 Document Organization

Chapter 2 SHORELINE MASTER PROGRAM ELEMENTS
  2.1 Shoreline Element Goals and Policies
    2.1.1 Shoreline Use Element
    2.1.2 Economic Development Element
    2.1.3 Public Access Element
    2.1.4 Circulation Element
    2.1.5 Historic, Cultural, Scientific, and Education Element
    2.1.6 Recreational Element
    2.1.7 Conservation Element
    2.1.8 Flood Damage Prevention and Minimization Element
    2.1.9 Restoration and Enhancement Element
    2.1.10 Implementation Element

Chapter 3 SHORELINE ENVIRONMENT DESIGNATIONS AND POLICIES
  3.1 Shoreline Planning Environments
    3.1.1 Natural Environment
    3.1.2 Aquatic Environment
    3.1.3 Urban Conservancy Environment
    3.1.4 Shoreline Residential Environment

Chapter 4 GENERAL SHORELINE POLICIES AND REGULATIONS
  4.1 General Shoreline Policies and Regulations
    4.1.1 Archaeological and Historic Resources
    4.1.2 Critical Areas
    4.1.3 Flood Hazard Reduction
    4.1.4 Public Access and Views
    4.1.5 Shoreline Vegetation Conservation
    4.1.6 Water Quality, Stormwater, and Non-point Pollution
    4.1.7 Shoreline Bulk and Dimensional Standards
Chapter 5  SHORELINE USE AND MODIFICATION POLICIES AND REGULATIONS

5.1 Introduction
   Table 5.1 – Shoreline Use and Modification Table

5.2 Use Policies and Regulations
   5.2.1 Prohibited Uses
   5.2.2 Boating Facilities
   5.2.3 Commercial Development
   5.2.4 In-Stream/Lake Structural Uses
   5.2.5 Recreational Development
   5.2.6 Residential Development
   5.2.7 Signs
   5.2.8 Transportation
   5.2.9 Utilities

5.3 Modification Policies and Regulations
   5.3.1 Dredging
   5.3.2 Landfill and Excavation
   5.3.3 Overwater Structures: Piers, Docks, and Floats
   5.3.4 Shoreline Stabilization

Chapter 6  ADMINISTRATION

6.1 Applicability
   6.1.1 Purpose
   6.1.2 Permits Required for Substantial Development in Shoreline Jurisdiction
   6.1.3 Exemptions from Shoreline Substantial Development Permit Process – Application and Interpretation
   6.1.4 Exemptions from Shoreline Substantial Development Permit Requirements
   6.1.5 Letter of Exemption
   6.1.6 Nonconforming Uses and Development Standards

6.2 Development Evaluation Process and Criteria
   6.2.1 Review Criteria for All Development
   6.2.2 Substantial Development Permits
   6.2.3 Conditional Use Permits
   6.2.4 Variances
   6.2.5 Application for Substantial Development Permit
   6.2.6 Permits for Conditional Uses and Variances
   6.2.7 Minimum Application Requirements
   6.2.8 Notice
   6.2.9 Special Procedures for Limited Utility Extensions and Bulkheads
   6.2.10 Administrator Review
   6.2.11 Granting or Denial of Permits – Conditions Attaching to Permits
   6.2.12 Notice of Decision and Reconsideration
6.2.13 Open Record Appeal
6.2.14 Review by Shorelines Hearing Board
6.2.15 Rescission of Permit
6.2.16 Initiation of Development
6.2.17 Revisions in Substantial Development Permits
6.2.18 Scope of Permit

6.3 Authority, Compliance, and Enforcement
6.3.1 Administrative Authority and Responsibility
6.3.2 Compliance
6.3.3 Enforcement
6.3.4 Criminal Penalties – Civil Liability

6.4 Administration
6.4.1 Rules
6.4.2 Amendments to the Master Program
6.4.3 Real Property Assessments
6.4.4 Severability
6.4.5 Conflict of Provisions

Chapter 7 DEFINITIONS
7.1 General
7.2 Definitions

APPENDICES
A. Shoreline Environment Designations Map
B. Critical Areas Regulations

CONTAINED IN SEPARATE DOCUMENTS
C. Shoreline Inventory and Characterization Report (September 2010)
D. Restoration Plan (August 2012)
E. Cumulative Impacts Analysis (September 2012)
