Crime Watch is an important element of the Mountlake Terrace Police Department's Crime Prevention Program. Crime Watch Volunteers, many who are senior citizens, give their time to make Mountlake Terrace a better place to live. Homeowners may request this free service of having Crime Watch Volunteers periodically check their residences in their absence. In the event of a suspicious circumstance, the volunteers will contact the Mountlake Terrace Police Department to investigate.

By signing this form, I am requesting periodic checks of my residence and I will notify the Mountlake Terrace Police Department upon my return.
