MOUNTLAKE TERRACE RECREATION PAVILION

(Mountlake Terrace, 5303 228th St. SW; 425.776.9173; mltrec.com) → Do your kids dream of being like Michael Phelps? Get them started at the inviting pool at the Mountlake Terrace Recreation Pavilion. Kiddos have no fear when the water is a soothing, bath-like 87 degrees and the entry is zero depth, sloping gently to 3 feet. At 25 yards long and 15 feet wide, there's plenty of room in the pool to frolic and float—spray toys and geysers add to the fun. Kids younger than 1 year old are free; Mountlake Terrace residents, \$3.25; non-residents, \$3.50.
