9. If you seldom use, or do not use the parks in Mountlake Terrace, what are your reasons?		
	4-5 parks within easy walk, don't need to travel further	
	Bad weather	
	Children grown	
	Dirty Equipment. Parents don't like sand. Wood chips are better	
	Family is our transportation	
	I am able to walk to parks on Brier area - next to my apt complex	
	No bathroom for the kid	
	No handicapped area	
	No trails	
	Not physically able to use	
	Too old	
(2)	Feel unsafe if I am alone	
(2)	Unleashed large dogs	
(3)	Especially shelters & restrooms.	
(3)	No restrooms at most	
(4)	Poorly maintained bathroom	
12. If you do not currently use pathways or trails in Mountlake Terrace, what are your primary reasons?		
	Are dogs allowed?	
	Cross too many main roads	
	Too old	
	Wheel chair users access	
(3)	Only if alone	
(5)	Bicyclists. I don't drive to parks to take my walk every day.	
(5)	Conflicts: Frisbee guys	
13. What type of amenities should be provided to encourage trail use?		
	Better trail conditions - Terrace Creek Park	
	Lights	
	Police	
	Police presence	
	Safety on trails	
	Trash receptacles & doggy doo-doo bags	
(1)	Conservation

Question No.	Response	Multiple Responses
14. Which of the following facilities would you support adding to the park system?		
	Lawn bowling.	
	More trails	
	Skateboard park/features: only if adult supervision is provided	
	Support adding to the park system: None!	
(1)	Would support adding an amphitheatre] depending on location	
(2)	Off-leash dog park: Maybe this would solve the "running wild everywhere" problem	
(2)	WA has some beautiful countryside yet our dogs are never allowed to enjoy it too.	
(3)	For Sure	
(3)	Like but don't own animals	
(6)	Water playground: We have enough of this.	
15. What types of indoor recreation spaces are most needed?		
	MIT pool is the best. Not enough room for all the children in classes	
	We have a lot of indoor recreation on the east side. No needs there.	
	(This is off the top of my head. I don't know much about what's already available)	
	Performance space would be great	
(1)	Basketball	
(2)	Needs to be bigger with more equipment [weight and fitness room]	
(4)	love it!	
(6)	I do not have a teen yet, but feel this is extremely important to keep them guided.	
16. How can Mountlake Terrace's park system be improved?		
	Amphitheater	
	Get rid of dead trees !!	
	Lower the price to use recreation facilities such as the pool and sports	
	Maintenance & keeping the facilities clean.	
	Nothing to raise taxes	
	We have too many parks now	
17. Do you participate in recreation, cultural, senior or sports programs offered by Mountlake Terrace?		
	Adult swim pool & walking exercise in parks	
	Didn't know about senior programs	
	No because they are too expensive	
(2)	I would only participate if they had line dancing. The one in Bothell has it once a week for 2 hours. Also I would go to the lunch or dinner on the day of line dancing	
(2)	No: what programs? Poorly support senior space!	
18. If you do not participate in recreation or sports programs offered by Mountlake Terrace, what are your reasons?		
	Age	
	Disabled	
	Handicapped	
	Health	
	I'm 81 years old	
	Mountlake Terrace has few activities compared to other towns

18 (Cont'd)	Old Age	
	Physical limitation	
(10)	H2O aerobics + laps too expensive. (former weight room equip to fire dept)	
(10)	I am on disability income and there are no scholarships.	
(10)	Not over \$6.00	

19. Which types of recreation activities are most needed in Mountlake Terrace?

(2)	Rock climbing: Good Idea	
(3)	Not at Pavilion	
(5)	Fast pitch softball	
(9)	Activities for teens	2
(9)	Ban Pit bulls	
(9)	Bike skills like Seattle's Colonnade Park	
(9)	Birding	
(9)	Conservation	
(9)	Dog Park	2
(9)	Golf	2
(9)	Hall for parties	
(9)	Handicap programs	
(9)	Kickball	
(9)	More tennis courts	
(9)	Mountain Biking	
(9)	Musical venue/club	
(9)	Organized running group	
(9)	Pea Patch areas	
(9)	Put BBQ in parks	
(9)	Sailboat dock at Lake Ballinger	
(9)	Senior Center	
(9)	Senior trips - Everett Parks offer these (Group Day Trips)	
(9)	Shooting range	
(9)	Soccer	
(9)	Upgrade playgrounds, new equipment	
(9)	We go walking	
(9)	Weight/fitness	
(9)	Would like more music in the park on weekends	
(10)	We already have great programs available!	

20. What types of cultural arts programs should Mountlake Terrace offer?

	Not interested	
(3)	Pastels!	
(8)	Bible Studies	
(8)	Farmers market	
(8)	Free music classes/activities for lower incomes.	
(8)	Movie night outside in summer	
(9)	I don't object, but I don't have any interest in cultural arts programs

Question No.	Response	Multiple Responses
21. In general, would you support a tax measure to maintain and improve existing parks and trails,		
	These activities are already too expensive. I spend about \$200 per month and none of my kids do sports. That would be another \$400 or \$500	
	We don't need any more parks	
(4)	With the cost of living already increasing at an incredible rate the average MLT residents couldn't afford it.	
(5)	I would campaign against any tax increase.	
(5)	Prefer monies to be reallocated.	
(5)	Use existing tax base to fund Parks/Rec. Increase tax base through other means besides a tax increase. Cheaper golf at Ballinger Golf for residents.	
22. Do you have any other ideas or comments about recreation and parks in		
	A dirt track area for bicycles would be fun + high use.	
	A great improvement would be a pedestrian bridge over Terrace Creek ravine linking the east and west sides. Plus improved access points to the ravine.	
	A late afternoon recreational swim would be very nice on weekdays. 7:15 to 8:30 is too late for my daughter.	
	A new MLT arboretum would be nice.	
	A trail for walking my dog would be great. That takes at least 2 hours.	
	All of our kids have grown up and moved away but when they were growing up we used Candy Cane, Firefighters & Bicentennial Parks a lot. Plus they were involved with MTYAA. Even though we personally don't use the parks as much now, they are a very important.	
	Amphitheater behind pavilion. Dog park would be nice.	
	An competitive aquatic center is needed for adults as well as youth. Would bring in money to business during swim meets - water polo - competitive swimming - adult fitness. Mountlake Terrace pool	
	As population ages, offering activities for seniors and folks with physical disabilities will be more important. \$ at Pavilion is prohibitive for frequent (i.e. daily/weekly) use.	
	Better lighting so you feel safe	
	Better lighting Terrace Park 48th St	
	Bike paths to Lake Ballinger park. Upgrade facilities at Lake Ballinger	
	Buy more park space. Preserve wooded areas. City should purchase land.	
	City has done a great job. We are proud to live in Mountlake Terrace since 1957	
	Develop open spaces for p-patches rather than more building. Due to over-building and over population resulting in ever increasing taxes and less disposable income. P-patches would benefit many people.	
	Dog Park off-leash with trees and hills, not just a pit. Ultimate Frisbee League	
	Drama like Shakespeare in the Park or other local performers.	
	Drinking water at Terrace Creek	
	Enforce the leash law & the scoop law at Terrace Ridge	
	Enforce the leash laws at Terrace Creek Park. The signs do no good. Thanks!	
	Evergreen Play Fields is way over due for a face lift. Replace the dirt soccer field with new field turf surface. Share costs with youth soccer/baseball groups.	
	I am 76. Do a lot of things in Edmonds & EdCC.

22 (Cont'd)	I appreciate the parks we have. Some parks are under-utilized. It would be good to have music - informal often in the parks.	
	Existing parks & trails should already be maintained	
	Grass needs to be improved at Pavilion. It is always closed to the children.	
	I bought my house because of its proximity to the parks, however, now that I have children I am uncomfortable with our location because of the "traffic" that passes by. I am TIRED of the drunkenness and rowdiness. The filth, garbage and overwhelming amount	
	I cycle for work (to/from Redmond) and there should be better trail connectivity	
	I had no idea we had hiking trails. Why are they not advertised? A wide variety of classes at the Pavilion would be greatly appreciated.	
	I live near Terrace Creek Park and love using the trail. Baseball field deteriorated. Use large grass area for concerts, off leash dog park.	
	I love the parks but really don't feel safe going there alone. Plain clothes police on the trails would be nice.	
	I love the quarter mile track at Evergreen Playfield and would like to see it leveled more often	
	I really want to see the dog park. I've been hearing about! Would also like to see the park on 48th (don't know the name) updated. Clean up the trail and Frisbee areas.	
	I think MLT did have line dancing years ago. I went one time. It cost too much for 1 hour and not a good instructor.	
	I think most of the parks of MLT are too dark. (too woody). When I lived in Seattle I loved Green Lake park	
	I think the Frisbee golf course needs to be fixed and a second one added at another location.	
	I want to see an off leash park. Our dogs have no place to play off leash.	
	I was disappointed when the pool was remodeled & the weight room equipment went to the fire station. Does the public still have access to that? Were there public comments taken on that?	
	I wish all residents are treated the same regardless of their skin color. The police dept and the Pavilion think they only have to serve the white community.	
	I work fulltime for Seattle Parks & Recreation Dept & generally use there facilities. Suggest that at least one park be made into a "showcase" with ???, new playground equipment, lovely landscaping (maybe a small rose garden), new benches & picnic tables.	
	I would like to see the Interurban trail have better signage, a few benches along the way, and some plantings to increase the visual looks in the business areas it passes through.	
	I would love to see more activities for kids where the parent helps out, thus reducing costs	
	I would love to see more variety in programming at the rec center. More diverse staff.	
	I would really like a "dog park." How about the Vets park next to the library?	
	I would use the pool if the facility were open earlier. I leave for work when it opens and evenings are not an option.	
	I'm sorry but I take more classes at Edmonds Park & Rec than MLT because they offer more arts classes. You have a better pool though.	
	I'm very happy with the amount of parks available. Maintenance is very good for most of them. Keep up the good work. Maybe a fence between the children's play area and the street at the park by the library.	
	Install a playground at Lake Ballinger Park on Lake View Drive

22 (Cont'd)	Invest in small sailboats and have sailing classes in summer. Consider small rowboat rental & adequate float for same.	
	It's still a very nice neighborhood	
	Lack of restroom facilities at most parks we visit is an issue, since I have a small child who often doesn't give much notice when he needs a restroom. The honey bucket at Terrace Creek is a welcome addition, though a flush restroom would be a nice additi	
	Lighting for the Bicentennial Park and others without it.	
	Like to see the track surface redone. Pick up surface, screen cinders, taking out large stones and relayed. I do not know of any other cinder track left in this part of Puget Sound. If this is done it would be beautiful a track to run on.	
	Lower prices for residents. One price pass for all uses for a year.	
	Maintain what you have.	
	MLT desperately needs a modern senior center now that seniors are going to be practically the majority due to baby boomers returning.	
	MLT does a fairly good job with the parks system	
	MLT pool is our pride. MLT library arranges interesting performing event. They got Russian Story Time. We attend. Parks on the other hand are rather neglected. The equipment is dirty and moldy. Some of it rusty and broken. Park behind the library, other p	
	MLT residents should receive a greater discount compared to non-residents at the Rec Pavilion. Playgrounds need to be upgraded, then maintained! Some toddler/preschooler play structures should be included. Walking: Please fix sidewalk to road transitions	
	More Basketball Hoops in Parks	
	More bike trails and lanes in more parts of Mountlake Terrace	
	More parking at Ballinger Lake Park. Enforce parking lot rules for boat trailers at parking area.	
	More parks, recreation areas, improved maintenance of existing parks & rights of way. No more condos, expensive homes!!	
	More picnic tables & benches at Candy Cane Park	
	Mountlake Terrace needs sunny, open park space in addition to its many shaded nature trail parks. Also, sidewalks and plentiful park access points will help bring people into parks.	
	Mountlake Terrace pool is too crowed/expensive and the locker rooms are so dirty with dirt/hair and toilet paper all over plus paying \$15.50 per one hour swim is too much. I still go but it is normally uncomfortable. I also think the water is too cold.	
	Mountlake Terrace should keep the cost for aquatic senior aerobics closer to the cost in Lynnwood. As a resident of MLT, it would cost me over twice as much as a non-resident in Lynnwood.	
	My husband & I like to play tennis and have used the courts in Mountlake Terrace & in Brier. In the past, we also played soccer in Mountlake Terrace. Now that we have a young daughter we plan to spend more time at the park and at the pool.	
	Need a large hall/bldg with a kitchen, table, chairs, etc. to be rented out for large gatherings.	
	Need an off leash dog park	
	Need for fire pits for picnicking at all parks

	Our kids use Melody Hill as it is the only place available on this side of the freeway. It would be an excellent site for a park. In fact the comprehensive plan recommended a park there or single family housing or both.	
	Overall the parks are in good condition	
	Parks do not feel safe. They are full of beer cans and garbage and are not lit for evening use. I have never encountered any patrol while using any trail or playground.	
	Pea patch areas. More flowers in hanging baskets like in Edmonds. I really like what the garden club has done. Need more. We need bike trails.	
	People in Terrace Creek park use the park as a dog park. They do not pay attention to the signs that are posted. I think they need to be fined, if caught. It makes it bad for those that read the signs and obey the rules.	
	People need to know where these parks are and if you move into Mountlake Terrace a package should be given free of the parks, activities in the area.	
	Peterson Park way - corner of 51st & 234th - city does NOT keep the area cleaned or maintained. Too many trees planted. Cottonwood trees danger to surrounding houses in wind storms. Recently planted evergreens should NOT have been planted. Eventually will

	Please do NOT raise taxes!	
	Please turn off lights when not in use	
	Put a boat ramp at Halls Lake for fishing	
	Put seating areas on Burt Gilman Trail	
	Quit spending tax money on surveys and commission studies. Instead post suggestion boxes and listen to the people not just the politicians.	
	Re: Park on 48th between 228th & 236th: There's an undeveloped space just west of the picnic tables. It would be great if this were made into a small performance space for birthday parties, etc. (music, juggling, magic). I support music performance and sp	
	Replace aging dock at Lake Ballinger. Needed badly.	
	Security cameras in Terrace park (has mile long trail) - We need them in playground park area & we could use them at junction of 226th inside trail. I believe that if we spruce up park youth vandals will destroy the wonderful work.	
	Skateboarders need a place to do their thing instead of my condo complex parking lot. My condo has a lot of problems with skateboarding trespassers.	
	Some trails are kind of confusing as they seem to begin/end nowhere. I wonder if there is some way to connect the park trails as some kind of off shoot or side trail that branches off at the interurban train? Especially the park by the library. Oh & the i

22 (Cont'd)	Take the large dirt field on 58th & E-3 and make it a turf field that could be used year round for sports.	
	Terrace Creek - pave the trail (or gravel but that isn't good for biking)	
	Terrace Creek Mini Golf	
	Terrace Creek Trail - The brush needs to be moved back a couple of feet to get trail back to its original width. Parts are getting too over grown.	
	Terrace Creek Trail too muddy when raining. More gravel needed.	
	Thank goodness for the open space we still have at Melody Hill School since our children do not have a city park in our neighborhood.	
	The adult fitness/workout room in the Rec Center is sub par. I used to the larger room before it was turned into a kids play area. I do love using the young child's indoor playground for my kids. They love playing there & it is a great break for me! Evergreen.	
	The park near the library needs lights at night for more security, fewer hiding places.	
	The parks need to be updated and kept, especially Veterans Park. Jack Long Park looks nice needs small area for children to play besides the rock, although they love that rock.	
	The recreation facility is way out dated and the parks are cheaply designed. Parks need safety upgrades.	
	The re-design of the Rec Center pool may be good for families with young children, but I've found that I use it less.	
	The trail from 49th W to 221st Street needs more dirt to elevate a little bit more, because it's so muddy especially when it's raining.	
	There is a park next to the soccer fields that is in dire need of repair. We use that play area frequently when warmer and there are no play areas for younger children (3-5). The slide is tipsy and I am fearful of the other play items due to age and disre

	This is one of the reasons we purchased a home here! Parks & Rec Rocks!! Some parks are really dark, seedy & unused. I never see anyone there! Either provide events there, fix them up or sell them off. I am thinking of a park just off 44th by Cedar Way El	
	This should've been done as an online survey. I do not support raising taxes instead the local gov't needs to get more efficient.	
	Though we don't do much but walk - we've enjoyed the parks. (my kids played baseball and other activities). We like to think all the young people here can enjoy the park activities too.	
	To increase community involvement, increased frequency is needed. One or two "Community Picnics/Festivals" per year isn't enough to change people's perceptions about Mountlake Terrace. You have to get people thinking of this city as a place of arts, rec &

	Too much tax payer money wasted	
	Update bathrooms at Evergreen Playfields. We get a lot of teams coming in from outside our city. The bathroom stalls need doors, soap, updating. Look at Redmond	
	Veterans Park is sad looking	
	Veterans Park really needs upgrades. Playground somewhat unsafe (rusty/old) & no baby/toddler swings available.

	We have a very successful pony baseball program in MLT. I would love to have a baseball facility in MLT that would allow us to host regional tournaments and other tournaments as well.	
	We have too many parks. Makes it extremely difficult to get anywhere in Mountlake Terrace by any direct route!	
	We have too much acreage in parks now	
	We need fields for fast pitch softball	
	We need to extend and upgrade our Mountlake Terrace downtown area. It's too small and I can't show it to our visitors.	
	We need to improve drainage in the neighborhood parks to make them more useable year round. We also need more unscheduled ball fields for families and groups to use. Also more water & restrooms!	
	We need to work with what we have. The parks need to be a priority to keep the family friendly feel of MLT. Lighting would also be a great upgrade to the safety of our parks.	
	We really need a dog park off-leash. I don't presently have (or want) a dog.	
	We regularly take our kids and dog outside of the city for parks and recreation. City parks almost completely missing west of I-5, and there are no play structures for kids. Too bad the city has allowed development on every remaining parcel of land.	
	We should pay more attention to the plants in our parks and try to beautify trails a bit more with some fresh planting, for example Bicentennial Park could use some flowers maybe.	
	We still have some nice sized trees in Terrace. Sitting on my porch & listening to the wind blow through them, provides an element of pleasure & serenity that a lot of towns & cities do not have. Please spare the large trees.	
	We used the local parks and recreation center when our daughter was a child	
	Would like a large multi-purpose room at the Pavilion that could be used for stretching, aerobics, martial arts forms, etc. Mirrors on walls would be nice to have more room than at home for a low price.	

23. What activities have you done in the past 2 years?

	Age 79 - use pool daily - ride bike 2 miles each way during summer as weather permits. City Streets.	
	Collections: not that often. Softball: no over 55 in county. Swimming: never in Mountlake Terrace.	
	Cultural Events: when available. Fairs and Festivals: They are only once a year	
	Exercising/Aerobics: Walk mall

	Kickball	
	Singing as participant	
	Skateboarding: How about something for the teenagers?	
	Snowmobile
