October 26, 2018

MLT Launches Website Redesign

New Photos Wanted

MOUNTLAKE TERRACE — The city has commenced a redesign of its website to improve navigation, make information easier to locate, and provide more convenient project updates. New photos, graphics, color scheme and design are included as part of the project. Online payment options are also being considered. The new website is anticipated to be ready in early spring of 2019.

Do you have photos you would be willing to share? In order to give the website a fresh look, new photos are desired and the city encourages the public to participate in this project as well. Along those lines, opportunities to provide feedback on what you would like to see improved will be offered on our Facebook page (City of Mountlake Terrace Government) over the coming weeks.

Please submit photos to cityhall@ci.mlt.wa.us by December 1, 2018. We are looking for scenic photos, seasonal photos, event photos and any photos of iconic Mountlake Terrace businesses, places, signs or landmarks. If the photos are used on the homepage banner, they must be over 1 MB and 2200 pixels wide. Upon request photo credits will be displayed for any photos used.

The city is working with CivicPlus who designed the city's website in 2015 and a free redesign was offered at the end of that contract.

“The Puget Sound Region is changing rapidly and the city needs to keep up with the times,” said Community Relations Director Virginia Olsen. “We look forward to updating our website to reflect the character of Mountlake Terrace, the opportunities and amenities we offer, and how we fit in regionally.”

For more information, contact Community Relations Director Virginia Olsen at (425) 744-6206 or cityhall@ci.mlt.wa.us.
