#### **COMMUNITY MEETINGS AND EVENTS**

- **Town Center Plan Update Process:** The City Council will continue discussion on the Planning Commission's recommendation on the Town Center Subarea Plan, proposed Development Regulations (including changes to the zoning code and design standards), the Economic Vitality Element of the Comprehensive Plan, and the designation of property located on 62nd Avenue W. for future park and open space use on:
  - Thursday, September 12, at 7 :00 p.m.;
  - Monday, September 16 at 7:00 p.m. (public hearing); and
  - Thursday, September 26 at 7:00 p.m.

The City Council has conducted seven meetings on the proposed plan update and public input is encouraged. To do so, you may either attend a meeting and provide verbal comments, write a letter to the City Council or email [cosborn@ci.mlt.wa.us](mailto:cosborn@ci.mlt.wa.us). Public comments are part of the public record being forwarded to the City Council as they continue to work through their review of the Plan and supporting documents.

Again, input may be provided by email at [cosborn@ci.mt.wa.us](mailto:cosborn@ci.mt.wa.us) or by handwritten letter to the address above, or in person at one or more of the meetings.

For more information or questions about the Town Center Subarea Plan, visit the city's website at [www.cityofmlt.com/1936](http://www.cityofmlt.com/1936) or contact the Community and Economic Development Department at (425) 776-1161.

- **Coffee with the City September 11:** Join city officials for a casual conversation and a cup of coffee. Residents, business owners and others from the community are invited to hear what's going on in the city, provide input about city services and events, and ask questions. This casual monthly event is scheduled at the Recreation Pavilion, 5303 228<sup>th</sup> Street SW on Wednesday, September 11, 2019 from 6:00 to 7:00 p.m. in the Jungle Room.

### **CITY CLERK AND COMMUNITY RELATIONS UPDATES**

- **Evergreen Awards:** Community Relations is working on the presentation and coordinating plans for this year's Evergreen Awards winners. The program recognizes community members who take great pride in maintaining their properties. The city is awarding 15 Best Maintained Property Awards (including one business), seven Best Transformation Awards (including two businesses and one multi-family property), and two Most Sustainable Awards. A dessert reception with the City Council will take place on September 25 at Ballinger Clubhouse.
- **Lodging Tax Funds:** The City Council reviewed the Lodging Tax Advisory Committee's (LTAC) recommended updated application materials and has moved them forward for consideration and approval on September 16. The city anticipates advertising for applications for the tourism-related use of the funds in late September or early October.
- **City Happenings:** Layout has begun on the October issues of the city newsletter. The lead article this month is the Hazel Miller grant in the amount of \$300,000 for a water feature at the Civic Campus Park Plaza. In this issue, we have a two-page spread to update the community on city budgets and utilities and how user fees not only pay for the cost of water, pipes, and maintenance employees, but also the facilities associated with water, sewer and stormwater systems function. A new webpage with educational videos is also under construction and will be live by the time the newsletter is received.
- **Naming the Town Center Park Plaza:** In total, the city received 14 submittals for potential names of the Park Plaza that will be located at the Civic Campus. The city's Recreation and Park Advisory Commission (RPAC) had asked for public input on potential names and how those names meet the criteria for naming a park and/or facility. Of the 14 names submitted, there were eight related to former Mayor and 50-year resident Jerry Smith who passed away last year; one for former Mayor Frank Hammer; one request to not name it after a person, and different variations of Town Center/City Center Park Plaza. RPAC will review and discuss the submittals at their September 10 meeting. The City Council will review the recommendation from RPAC at their September 16 meeting.

## **COMMUNITY & ECONOMIC DEVELOPMENT UPDATES**

- **City Hall & Police Station Addition:** ARC Architects and city staff continue to work on the refinement and review of drawings, specifications and contract language as the project moves closer towards the ability to issue permits and bid the project. Due to recent issues that have arisen related to cost and site work, city staff, ARC Architects and Macleod Record (landscape architects) have continued working to identify items to keep the project within the anticipated budget. As such, it now appears that the earliest the project can be bid is in late September, 2019.
- **Premera Campus Renovation:** Premera Blue Cross has submitted a proposal to renovate the campus to replace Building 1 with a facility that provides more onsite amenities for employees and to make minor modifications to most of the four other buildings. A site development plan application was submitted June 21 and is being revised to meet filing requirements. The proposed work includes a new Building 1 with a smaller footprint, removing nearly 200 parking spaces, creating more open space, changes in circulation, and pedestrian friendly street frontage improvements on 220<sup>th</sup> Street SW and a portion of 216<sup>th</sup>.
- **New Terrace Townhomes:** A 12-lot fee simple townhome development located at 4907 216<sup>th</sup> Place SW, has submitted for their civil construction permit to construct frontage and onsite improvements.
- **Creekside Meadows:** On August 13 the Community and Economic Development Department held a Pre-Construction Meeting with the developers of a 56 lot subdivision named "Creekside Meadows" at 7011 226<sup>th</sup> Street SW. Demolition of the Creekside Church and School has begun to allow for clearing and grading.
- **Sound Transit Staging Site:** A permit has been issued to construct an eight-foot-high wood fence and 12-foot-high chain link fence, combined, around the Melody Hill Staging Site at 6205 222<sup>nd</sup> Street SW for Sound Transit's Link Light Rail project. The associated landscaping and irrigation permit is under staff review.
- **Solana Townhomes (5503 240<sup>th</sup> Street SW):** Building permits for 19 townhomes in the Town Center were issued.

## **HUMAN RESOURCES**

- **Job Opportunities:** For current job opportunities, please visit the city's website at [www.cityofmlt.com/Jobs.aspx](http://www.cityofmlt.com/Jobs.aspx). You can also subscribe to job posting notifications to be automatically alerted of the latest career opportunities by clicking on the Notify Me® button [here](#). If you have questions about job opportunities please contact Human Resources at [HRCity@ci.mlt.wa.us](mailto:HRCity@ci.mlt.wa.us) or (425)744-6225.

## **PUBLIC WORKS (ENGINEERING & OPERATIONS) UPDATES**

- **Atlas 236 56<sup>th</sup> Avenue W Closure:** On Saturday, September 7 from 3:30 a.m. to approximately 3:00 p.m., the construction of the Atlas 236 development will close 56<sup>th</sup>

Avenue W between 236th Street SW and 234th Street SW. Traffic will be detoured to 58th Avenue W during this period. This closure is necessary for a significant concrete pour at the project site using multiple concrete pumping trucks with regular concrete deliveries.

- **Main Street Revitalization Project, 236<sup>th</sup> Street SW:** Sidewalk construction continues on the south side of 236th Street SW. Excavation and construction of retaining walls along the north side of the roadway is ongoing as well. During weekday, daytime working hours, eastbound 236th Street SW will continue to be closed between 56th and 58th Avenues W, when brief lane shifts and lane closures with flagging may occur. Two-way travel throughout the construction area will be provided outside of daytime working hours. Flaggers will be on duty to help people through the construction zone.

Planning ahead, drivers can anticipate a significant closure of roadways for the Main Street project paving in early October. Specific plans and schedules are currently under development between city staff, the contractor and WSDOT. Travelers should anticipate significant delays in this area and will be encouraged to minimize travel through the area at that time. The city will provide additional construction information that is up-to-date and reflects the contractor's progress as a detailed plan is finalized. Weekly travel advisories on all construction projects throughout the city are provided online at [www.cityofmlt.com/208](http://www.cityofmlt.com/208) (traffic alerts) and on the city's social media sites.

- **Marking Storm Drains in the Watershed:** On the morning of Saturday, September 14, an Eagle Scout from Troop 60, along with two Boy Scout troops and a Cub Scout group will be marking storm drains in the Hall Creek/Lake Ballinger watershed. The Scouts will be fixing permanent markers on storm drains that read "No Dumping – Mountlake Terrace" as part of ongoing public education on keeping pollutants out of storm drains. Thirty to thirty-five participants are anticipated for this four-hour community service event to protect creeks and Lake Ballinger.

- **Rain Garden Workshop:** A free informational Rain Garden Workshop will be held Saturday, September 28, from 10:00 to 11:30 a.m. at the Mountlake Terrace Senior Community Center (Mickey Corso / Lake Ballinger Clubhouse) at 23000 Lakeview Drive. Come learn all about rain gardens and other techniques to reduce your lawn and make your landscape more resilient at this free workshop sponsored by the city of Mountlake Terrace. Training will be provided by the Snohomish Conservation District, and professionals will be on hand to make your ideas a reality in your own backyard. RSVP for the Rain Garden Workshop at [www.mlt-rgwkshp.eventbrite.com](http://www.mlt-rgwkshp.eventbrite.com). For questions, contact Kate Riley, Snohomish Conservation District Community Engagement Program Manager/Interim District Manager at (425) 377-7004 or [kate@snohomishcd.org](mailto:kate@snohomishcd.org).

- **Treatment for Aquatic Weeds in Lake Ballinger:** Lake Ballinger has become infested with invasive aquatic weeds, including Eurasian watermilfoil, fragrant water lilies and curly leaf pondweed. The thick aquatic plant beds that cover most of the nearshore area have negatively impacted boating, swimming, and fishing in the lake. Invasive weeds have also reduced water quality.

A steering committee of local residents recommended a control plan including use of burlap bottom barriers and aquatic herbicide applied to 50 percent of the lake during summer 2019. Lake Ballinger will be treated with aquatic herbicides three times between July 24 and September 15, 2019. The first treatment was applied Wednesday, July 24. A motorized boat has been permitted on the lake in order to complete this project. Treatment is being applied to the western shore of Lake Ballinger and the northeastern section near Ballinger Park fishing dock/boat ramp.

More background information on the treatments for Aquatic Weed Control in Lake Ballinger can be found in the city's Integrated Aquatic Vegetation Plan posted on the city's website [www.cityofmlt.com/DocumentCenter/View/18445/](http://www.cityofmlt.com/DocumentCenter/View/18445/).

### **WEEKLY INVESTIGATIONS UPDATE**

#### **Cases assigned**

- 19-11905 Theft
- 19-12631 Death
- 19-12441 Burglary
- 19-12582 Theft

#### **Cases Cleared**

- 19-19-10945 Theft
- 19-12231 Assault
- 19-11948 CPS
- 19-10815 Burglary

#### **Significant Cases:**

Detectives recovered a stolen drone from a burglary that occurred at a construction site at 236<sup>th</sup> Street SW and 56<sup>th</sup> Avenue W.

### **COMMUNITY OUTREACH & DIRECTED ENFORCEMENT**

The week of August 28 – September 3, 2019 was active with officers making several contacts with the community. Officers continue to conduct local business and area checks at the following locations: Northern Lights Apartments, Studio 6 Motel (Gateway Plaza), Ballinger Park, Interurban Trail, Veterans Park (Library) and marijuana dispensaries. Below are some highlights of the community contacts that we have made to include contacts with homeless subjects and homeless camps.

- Foot patrol at Veteran's Park located a moderate amount of trash hidden in the bushes. Parks Maintenance was contacted for a cleanup on August 30,-2019. Patrol also spoke with a homeless person and inquired if he was OK. He was appreciative but declined outreach supplies.
- Foot patrol at 220<sup>th</sup> and I-5 found no new campers. As reported previously, WSDOT is scheduled in mid-September to come clean up an abandoned camp and over trash.
- Officer Johnson (right) stopped by a garage sale that two kids were running.
- Officer Marshall performed a vehicle lockout for a stranded motorist who had been locked out of his vehicle for three hours.
- Officer Marshall provided outreach materials to a homeless individual.

### **CODE ENFORCEMENT PROPERTY OF THE WEEK**

On July 25, 2019, Code Enforcement received a complaint from a resident regarding their neighbor's overgrown vegetation in the back yard exceeding three feet in height and flowing into adjacent property. On July 30, 2019, Code Enforcement verified the complaint, and issued a notice of violation in accordance with 8.15.040.A.1-(Vegetation exceeding 12 inches in height (exclusive of plants and flowers within a flower bed or container, shrubbery, or trees) located in any front,

back, or side yard, adjacent public right-of-way or planting strip, or any vacant property). On August 30, 2019, Code Enforcement returned to the above location, and noted all vegetation had been cut back. The above property had complied with the City's nuisance ordinances.

### **OTHER ITEMS OF INTEREST**

In response to recent complaints about speeders in the 23300 block of 66<sup>th</sup> Avenue W., Sergeant Moss conducted speed emphasis in the area. One speeder was stopped going 42mph in a 25mph zone. Sergeant Moss noted during this emphasis that generally speeds were not egregious, with several vehicles observed driving within a few miles per hour over the speed limit. However, generally there does seem to be an increase in traffic volume most likely due to construction in the area and drivers trying to bypass it to get on the freeway.

Several collateral assignments have been posted for the Police Department.

1. Detective Opening
2. Narcotics K9 Position Opening
3. Firearms Instructor.

Interest for each position has been positive and selections will be made soon.

The Mountlake Terrace Police Department is proud to announce that our newest Police Officer will be graduating the Police Academy on this Friday September 6, 2019. Please welcome Officer Noah Rodgers!
