Mountlake Terrace High School (21801 44th Avenue West) on Wednesday, December 2 from 11:00 a.m. – 5:00 p.m.

Health insurance and ID cards are requested but not required (no insurance, no problem). Considering you might have COVID-19 and not know it, getting tested protects your loved ones. Come one, come all. Walk-ups are welcome! Traffic volumes may be heavy based on similar recent testing events, so please plan ahead for possible long wait times.

The city will also be distributing masks from 12:00 to 5:00 p.m. at this event.

- **Virtual Tree Lighting Ceremony:** The city’s 38th Annual Tree Lighting Ceremony will be held virtually via YouTube on Friday, December 4 at 6:30 p.m. The city had hoped to hold the event in the new Jerry Smith Town Center Plaza at the Civic Campus, but the site will not be ready, so the tree of lights atop the water tower will be lit. The event will feature our event sponsors, a little history about the event, and a visit from Santa. **Weekly Patrol Synopsis**

- This week’s incidents included three reported verbal domestic arguments, one vehicle theft and four vehicle prowls.

- On November 19, detectives were in the Police Station garage when approached by a female subject who stated she had just been assaulted. The female described the male suspect and gave a location where he might be. Both subjects were homeless and living in local parks and
vehicles. The male suspect was located and eventually arrested for domestic violence (DV) assault.

- On November 19, officers responded to a report of a package theft in the 22700 block of 73rd Pl. W. A witness saw a subject steal a package and flee. The witness noticed the thief stash the package in some bushes. The package was recovered and returned to the owner. No suspects or leads at this time.

- On November 18, officers responded to a suspicious vehicle at the 5800 block of 219th St. SW. and contacted the occupants. A passenger exited the vehicle and was cooperating with officers when the driver, as soon as contact was attempted, put the car in drive and fled the area. There was no known crime at the time, and officers did not pursue.

- Officers responded to a referral from Adult Protective Services (APS) involving an elderly male being victimized by an unknown subject. Case is under investigation.

- On November 19, officers responded to an assault report that occurred at the 22200 block of 56th Ave. W. The victim stated that she was with a group of friends when she noticed some of them were arguing. When the victim inquired about their argument, one of the individuals punched the victim. Officers made several attempts to locate the suspect with no success at this time.

- On November 19, officers responded to a vehicle collision and possible domestic violence at the 21500 block of 50th Ave. W. Officers contacted a male and female who were in a verbal argument. Prior to officers’ arrival, the male subject had assaulted the female. During the assault the male broke a window, and then backed into a tree while leaving. The male suspect was arrested and booked into jail for assault.

- On November 19, an officer received a call regarding several unreported incidents of physical assault that occurred in the past few months. Case is still under review.

- On November 22, as a female was entering her vehicle in the Safeway parking lot, a male subject approached her from behind while yelling at her. The female quickly entered her vehicle and drove away. Later, she remembered having her wallet in her hand and believed she had dropped it during the encounter with the male. Case has been assigned to a detective.

**Community Outreach & Directed Enforcement**

The week of November 18 through November 24 was active with officers making several contacts with many residents. Officers continue to conducted local business and area checks at the following locations: Andorra Estates Apartments, Studio 6 Motel, Lake Ballinger Park, Interurban Trail, Veterans Park and the marijuana dispensaries. Below are some highlights of the community contacts that we have made to include contacts with homeless subjects.

• Officers handed out meal vouchers to several families for Thanksgiving:
  - Sergeant Mettler attempted to contact a family from a domestic violence call in October to provide a voucher. When he did not receive an answer, Sergeant Mettler contacted a neighbor who had assisted the family during the domestic situation. The neighbor was in need of a voucher, so he was provided one and another to give to the neighbor when they return.
  - Three meal vouchers were provided at Northern Lights Apartments.
  - Officer Sheets provided meal vouchers to residents at along 244th as well as subjects at the library. During one of the contacts, which was a single mother with children, he found the mother was in a cast and had numerous bags of garbage at her front door. He took the garbage out to the dumpster for her.
  - Officer Froisland visited families at the YWCA apartments and gave away three Thanksgiving meal vouchers.
  - Officer Krahn handed out six Thanksgiving vouchers to various community members.

• Extra patrol of a business due to prowls overnight.

• Sgt. Pickard conducted foot patrol in the area of 236th and I-5. He warned two subjects not to camp on state highway property underneath the on-ramp.
Other Items of Interest
A nice item from an apartment manager: One of your officers, I apologize for not getting his name dropped off three Thanksgiving meals tickets for three residents. We called 3 families that have experienced hardship throughout the Pandemic, and each were incredibly appreciative for the gesture. I personally wanted to thank you and the department for this very generous and kind outreach. I wish you and yours a very Happy Thanksgiving!

Code Enforcement Property of the Week
Code Enforcement followed up to a parking complaint of an abandoned pickup parked at the 22200 block of 37th Avenue W. When Code Enforcement arrived, they observed the vehicle having an expired license exceeding 30 days. Code Enforcement issued a correction notice for storing vehicles on a public street in excess of 72 consecutive hours and abandoned inoperable vehicle with an expired license and flat tire. On November 9, Code Enforcement returned to the location and noted the vehicle had not been moved. Towing was dispatched, and the vehicle was towed.
