This work will take place at night to minimize impact to businesses and the community and will occur over the course of three weeks. The roadway was reopened on Saturday, December 6, however preparation and paving occurred this week on Monday and

**FINANCE**

- **Relief Due to COVID-19 Emergency:** Since March 19, water service is not being shut off for residential customers’ inability to pay during the COVID-19 emergency. The action is in effect through the end of the year. No late fees or penalties will apply during this time.
