Please visit [www.cityofmlt.com/2060](http://www.cityofmlt.com/2060) for city information and resources on the COVID-19 public health emergency.

### What's New?

- **“Stay Home, Stay Healthy” Order In Effect March 25, 2020 Until Midnight April 6, 2020, Unless Extended:**

Starting Wednesday, March 25, 2020, most businesses will be closed statewide with the exception of [essential businesses](#) and key government functions including the City of Mountlake Terrace. The State defines “Essential Critical Infrastructure Workers” as personnel who are needed to maintain continuity of operations of essential critical infrastructure sectors and additional sectors as the State Public Health Officer may designate as critical to protect health and well-being of all Washingtonians.

The Governor’s Proclamation does not prohibit working from home, operating a single owner business with no in-person, on-site public interaction, or restaurants and food services providing delivery or take-away services, so long as proper social distancing and sanitation measures are established and implemented.

Residents are permitted to leave home in order to meet their essential needs including traveling to grocery stores and food banks, pharmacies, gas stations, urgent or emergency medical care, caring for an elderly or sick family member, and traveling to work for essential staff as defined by state or local authorities. For more information on what’s open and closed, please visit the State’s [webpage](#). You can read the Governor’s announcement [here](#).

- **Additional measures taken by the city this week** to protect our community during this public health emergency include:
  - Closure of public playgrounds, park restrooms, gazebos, athletic fields, sports courts and the dog park (passive parks and trails are open as long as social distancing occurs).
  - Suspension of passport issuance.

- Required appointments for certain development permit processes, call 425-744-6267 to make an appointment unless you are applying for driveway, fence, home occupations, re-roof, shed permits and conducting business that is exempt from the Governor's Proclamation. If so, permit applications will be accepted at the permit counter without an appointment.
- Permits for single family residential re-roof, plumbing and mechanical are available for viewing and submittal online at [www.cityofmlt.com/177](http://www.cityofmlt.com/177).
- Due to the Governor's "Stay at Home" order, the Recreation Pavilion's closure is extended two weeks until April 8 (unless extended). The Pavilion is providing childcare services to first responders and city staff as well as current Kids Krew and Junior Kids Krew customers who are exempt from the Governor's order. In addition, the Pavilion is open from 10:00 a.m. to 4:00 p.m. this week for childcare registration only.
- *Also, in light of the Governor's "Stay at Home" order, we ask that you please not visit city offices unless absolutely necessary to protect yourselves and our staff from the spread of disease.*
- **Drive-thru testing available by appointment** for high-risk Snohomish County residents with COVID-19 symptoms, including those who work in healthcare, public safety or critical infrastructure, now have another option for free testing. *Testing is by appointment only if you meet the criteria to be tested.* Visit [www.snohd.org/503](http://www.snohd.org/503) to learn more or sign up for an appointment.
- Snohomish Health District has this new [webpage](#) to help control rumors about the Coronavirus.
- Thanks to MLTNews.com for their work in creating [this list](#) of Mountlake Terrace **restaurants offering takeout or delivery service**. Please help our businesses stay open if you are able to. City Hall employees are placing a group lunch order each day to a different Mountlake Terrace restaurant to try and help our local businesses.
