

Exhibit G

May 1, 2020

Dear Property Owner:

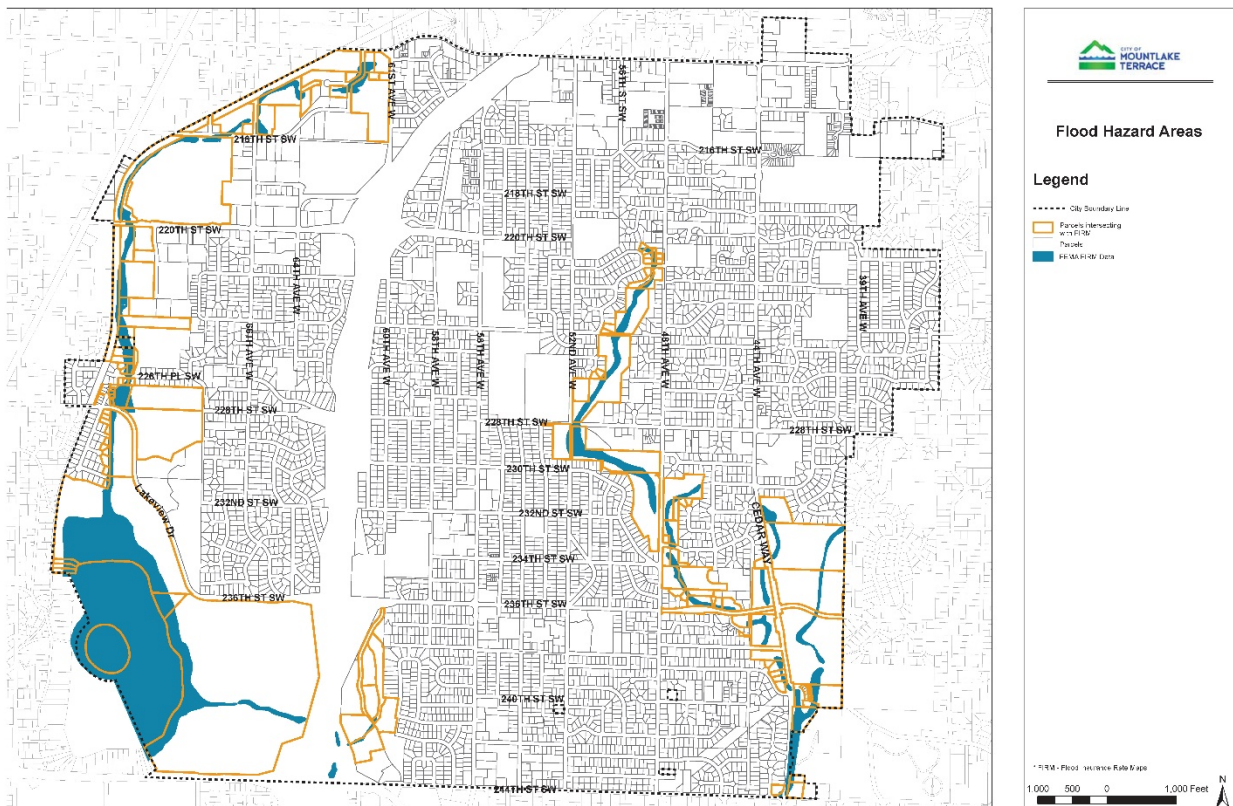

This is a courtesy notice to advise you that the City is proposing to update the flood hazard area regulations. Those regulations affect properties mapped as a flood hazard area on the Federal Emergency Management Agency (FEMA) Federal Insurance Rate Maps (FIRMs). Adoption of the updated FIRMs (maps) and regulations is due by June 19, 2020.

For property owners to be eligible for the lowest flood insurance premiums, the City needs to adopt the most current FIRMs and update flood regulations consistent with the minimum requirements of the FEMA National Flood Insurance Program (NFIP). NFIP is the FEMA program that provides insurance for residential, commercial and accessory structures located in designed flood prone areas.

For more details visit the City's webpage at: www.cityofmlt.com.

Information includes flood maps, existing and proposed regulations, review and adoption schedule, SEPA documents, reports, and contact information.

Regards,
 Edith L. Duttlinger, Senior Planner
